

SUPPORT A2Z MENTORING!

9/11 DAY OF SERVICE & REMEMBRANCE

September 11, 2011 marks the 10th Anniversary of 9/11 as well as a federally recognized National Day of Service and Remembrance. In observance of this important and historic milestone, A2Z has committed to conduct a school supply drive to help our community's under privileged children and the children of military families.

A2Z Mentoring is a 501(c)3 non-profit organization which helps provide for under-privileged children. In these tough economic times many families are struggling to make ends meet and many students have been deprived of proper school materials. A2Z hopes that by helping gather school supplies and donations, we will be able to support the children in their hopes to achieve the best education possible. Such projects will engage and inspire millions of individuals to commit to serve on this day and in future. They will inspire them to create a positive change by utilizing their voices and financial contributions to promote service in honor of 9/11.

Please support A2Z mentoring by helping us gather the following materials:

- 3-ring binder
- Backpacks
- Colored pencils
- Colored pens
- Erasers
- Glue sticks
- Notebook paper
- Graph paper
- Highlighters
- Calculators
- Markers
- Organizers/Planners
- Paper clips
- Pens/pencils
- USB flash drives
- Books (Math Skills books, reading writing books for all grades)
- SAT Books (used and new)
- Donation check for School Supply out to: "Aim for A2Z, Inc"

Adults, teenagers and children are all encouraged to help out with this project. Please involve your family, friends, community organizations, and coworkers in this project. This is the 10th Anniversary of 9/11 and A2Z would love to expand and develop the project to the fullest extent to pay tribute to American citizens.

If anyone is interested in helping to plan and implement this project, they will be given volunteer service credit/hours! This project will run from August 1, 2011 to December 31, 2011 and with your help it will extremely improve the lives of local children in need! In the words of Diogenes Laertius "The foundation of every state is the education of its youth."
